Upcoming Races:

Prediction Run – Saturday February 8, 9 AM. Nick Furman is race director, Kent Sharman helping.

Run of Two Cities will be next. Will discuss at the next meeting. Patrick Myers is the RD.

Roseburg to Coos Bay – Amarissa is organizing post-race dinner. Spaghetti feed. It will cost \$11/runner. 7-Devils will donate 1 pint/runner. It will be open to the community as well. Jen will have her Bandon Art class make ceramic medals for each runner. Orange shirts this year.

Scholarship:

Due April 1. Gene, Colleen and Carol offered to be judges if needed.

Pricing:

We discussed some pricing that doesn't make sense and how to fix it for 2021.

To start in 2021 for families, charge \$30 for the first two people at a race, or \$20 for one, and \$5 for each additional person. This is more in line with our individual member pricing which on race day is \$20 for the member.

Charge students \$5 and do away with student membership.

Add language about having to register student separately on the website so it will apply the coupon code.
